WORK EXPERIENCE

Freelance Designer | Dec 2020 - Jan 2021

UX Research and E-commerce Website Design for Aakriti- Redefining Scrap
Status: Design Complete, Development: Ongoing

- Conducted user research, interviews and user testing
- Designed the site map, wireframes, prototypes, and the final UI for the website
- Co-ordinated with developer to translate design into code

Intern Architect | Nov 2018 - May 2019

SJK Architects | Mumbai

Under the guidance of Ar. Shimul Javeri Kadri, Ar. Vaishali Shankar & Ar. Arunima Dubey, worked on the design resolution, integration and execution stages of an Administrative & Research facility and a Hospitality project.

- Worked on design development, site execution drawings, and architectural detailing
- Handled co-ordination and meetings with various consultants and vendors
- Participated in client presentations and meetings
- Leveraged Scrum methodology to address complex adaptive problems and to help teams structure and manage their work

Assistant Set Designer | April 2017 - May 2017

FTII- Art Direction Dept. | Pune

Worked with Art Director Neeraj Singh and team to make a miniature set for the short film "Ekaant" directed by Sarthak Bhasin.

- Played an important part in the research, exploration, experimentation and development of materials, textures & scale to make the set as realistic as possible
- The film travelled to various festivals, and won many awards, the most notable of which are:
 - The 66th National Film Award for Art Direction- "For it's surrealistic design and imagery of a bleak impending catastrophe". Honored by the Vice President of India at Vigyan Bhavan Delhi.
 - Best Short Fiction Award at the Tbilisi International Student Film Festival
